

Katy Days Banners 2018

Thanks for your interest in purchasing a Katy Days banner. They serve several purposes:

- As a reminder that Katy Days is coming up soon
- Adding color and interest to our main streets and downtown
- Providing publicity for our supporters

The original banners were sold in the early days of Katy Days, around 2002. The cost was \$250 each and they were hung for the life of the banner (anticipated to be five years). It is now 2017, fifteen years later and due to fading, wind damage, and loss, and it is time to create a new batch. We hope the original purchasers feel they got their money's worth!

We are selling the new banners for the same price as 2002. They will hang starting in mid-April and be taken down after Katy Days. We guarantee they will last for five years. They are two sided and made from durable fabric. This year we are selling the smaller sized banners that mostly surround the downtown. We will sell the larger ones in the future. The money will pay for the banners and will also go toward supporting Katy Days.

Please indicate on the attached sheet whether you would like to have your banner hung near your business if possible.

If you are interested in a banner, we need to have your order and payment submitted by December 15, 2017 to Katy Days, PO Box 81, Parsons, KS 67357.

Thank you very much!

**The Katy Days Board of Directors
John Dhooghe, President**

Yes! I want a Katy Days banner. _____ **No thank you.** Maybe later _____

I would like my banner to have the following name on it:

(the shorter the better for readability - and we apologize that we are not able to use logos)

Place banner as close as possible to business : Yes No (please circle)

Please list the name, address, email and phone number of the contact person:

Name: _____

Business _____

Address: _____

Email: _____

Phone: _____

Payment Received _____ **Amount** _____

Date _____

If you are interested in a banner, we need to have your order and payment submitted by December 15, 2017 to Katy Days, PO Box 81, Parsons, KS 67357.

Thanks to LCC Phi Theta Kappa for their help with this project!
