

## **EXPANDED HORIZONS**

The visual scavenger hunt is back! This year, we've expanded our horizons and have included locations that may not have been included in past years.

These are in two categories. The first is **INSIDE PUBLIC BUILDINGS**. A few pictures were taken in buildings that are open to the public most days of the week. The second is **OUTSIDE THE OFFICIAL CITY LIMITS**—but not too far away! Some pictures were taken south of Highway 400 and north of 21,000 Road.

The rules for the scavenger hunt remain the same. The goal is to identify the location of each picture on the form. Using the numbers assigned to each photograph, name the location (address or description of property) on the sheet provided with the entry form.

### **Example**

**If you determine that a photograph is a detail of the LCC Zetmeir Building, you should write in the blank:  
“LCC Zetmeir Building” or “Zetmeir Building on 1300 block of Main Street.”**

Forms will be reviewed between 3 p.m. and 5 p.m. on Saturday, May 27<sup>th</sup> at the “History Zone.” (Parsons Rec Center) The opinion of the reviewer on any particular form item is final.
